E110A ADDITIONAL BATTERY KIT

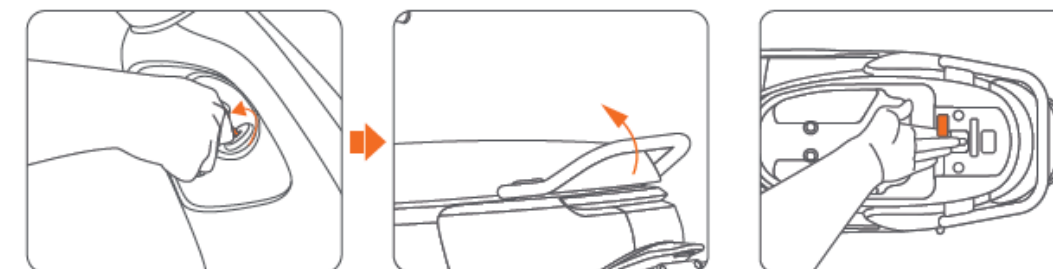

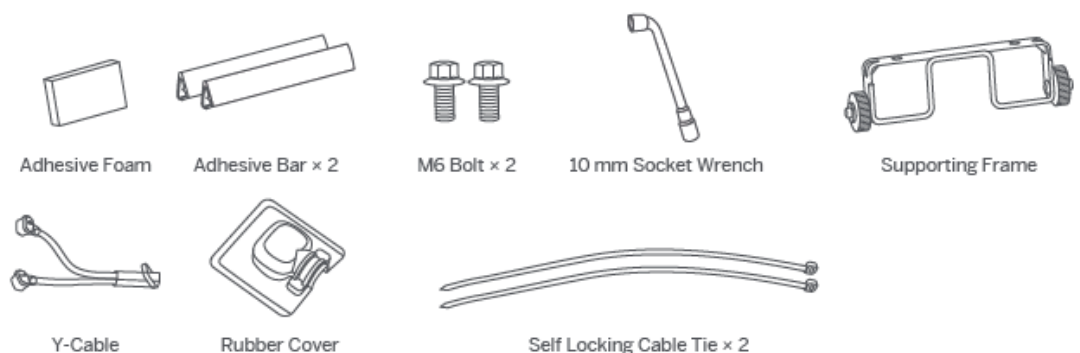

Additional E110A Battery Kit AC.50.0001.69

- Increase range from 35 to 60 miles
- Includes jumper wiring harness that allows batteries to run in parallel to charge and discharge at the same time
- The second battery goes in the floorboard (Low center of gravity and retains truck capacity)

Battery

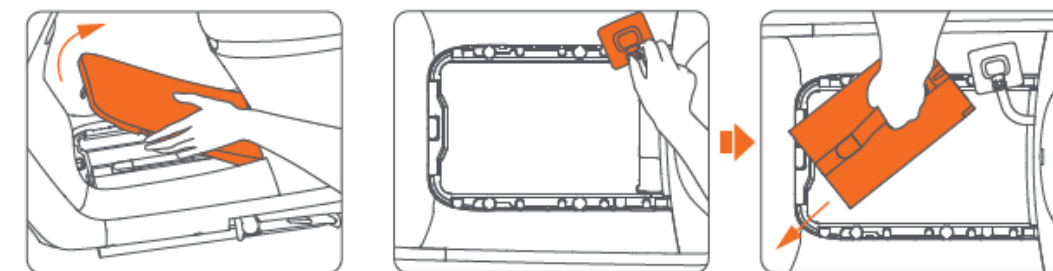

Accessories

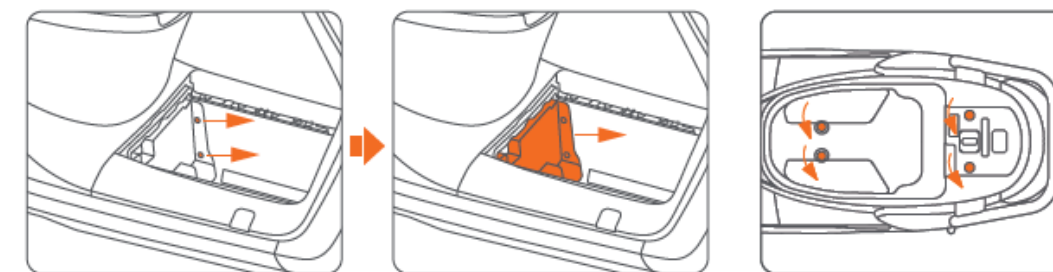

3. Lift the lid.

4. Unplug the default battery and take it out.

5. Apply a little pressure to the center of the plastic rivets with a screwdriver or a sharp-pointed tool to loosen them up. Pull them out and remove the partition panel.

6. Remove the 4 screws on the inside with the 10 mm socket wrench (counterclockwise).

MSRP \$999.99
